Primary Examiner, Art Unit 2117

Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: The applicant has not replied to a letter of Show Cause, dated 9/16/2010, with an expiration of response time to 10/16/2010 as of this date, 11/1/2010. The examiner has placed a telephone call on 10/27/2010 to the attorney of record, Paul Krueger, who did not provide any information other than a referral to Larry Johnson at 408-545-7194. Attorney Larry Johnson, in a voicemail to the examiner on 10/29/2010, has indicated that he is exploring options as to reviving the case, among other cases on his docket. The examiner, in another telephone voicemail to Mr. Johnson on 11/1/2010, requested that he return a call to the examiner for further information as to the options open to the applicant. The examiner's further recommendation will be that a call to the USPTO OPLA, either Ken Schor or Raul Tamayo at 571-272-7728 may be of help to Mr. Johnson in determining options available, but as of today, the case will be abandoned in conformance with the MPEP.
